Hi,

I want to expand my Paris system and add some additional EDS cards.

Is the "StarTech.com PCI Express to 4 Slot PCI Expansion System" compatible with the Paris EDS Cards? Has anyone tried one?

StarTech.com PCI Express to 4 Slot PCI Expansion System

<http://www.startech.com/Cards-Adapters/Slot-Extension/PCI-Express-to-Four-Slot-PCI-Expansion-Bay~PEX2PCI4>

Better deal on amazon:

http://www.amazon.com/StarTech-com-Express-Expansion-System-PEX2PCI4/dp/B000UZL1GC/ref=sr_1_1?s=electronics&ie=UTF8&qid=1371526656&sr=1-1&keywords=pci+expansion

Thanks for any feedback!
