Cool performance, but it don't really sound like a guitar.

When i was playing with Edgar Winter the keyboardist was Peter Schless (co-writer with Jeffrey Osborne of "On the Wings Of Love"). He is a monster player and he used to run his DX7 into a Walkman. I hated soloing after him when he used his "guitar" sound because he was so f/g good it was intimidating. He doesn't scare me any more (please don't tell him I said that).
