Hey all - anyone got more recent contact info for Doug than doug at parisfaqs dot com? I've got a failing PARIS card I want to send to him for his science experiments and that doesn't seem to work any more. Thanks!

Strange. All I can figure is that when I changed my email plan and added IMAP, that forward got lost. Should be back now...

Ah, no worries. Want my old dodgy 8i? Two inputs down, a third may be going. Send it or bin it? If you want it I'm doing a cross border shipping run this afternoon.
