Hi  
Everything's in the title.  
Europe preferred (shipment costs) but USA is ok.  
I'm flexible about the sale's content (more 8 outs for example, mec+eds cards+magma...) but would prefer to purchase everything from the same guy (shipment costs again).

Thx.

@danielcornelius

wtb = want to buy

I have nothing for sale (except new automotive alternators and starters at a huge price...but it's not the point )

Laurent : je ne vends rien pour le Paris !!!

En fait je cherche des cartes entrées/sorties. (3+1 idéalement)

Je dois juste avoir une if442 de rab.

En tout cas, je découvre que je ne suis plus le seul en France
