Subject: Automation Help Please Posted by Michael[1] on Tue, 06 May 2008 07:42:05 GMT View Forum Message <> Reply to Message

I had a tune almost finished. All Automation almost done. I wanted to automate 2 effects sends and the automation woud not work after I made the adjustments. Then to my horror, all the other automation to the tracks would not work either. I tried everything. Nothing works, it's like the file got a bug and it will not see any automation information. Can anyone help?

Mike
