I'm ready to take the plunge and tinker with it in the hope of building a spare Paris box, as I fried my backup last year. I'll be over in Melbourne again soonish, so I'll drop in for a Cooper's, if that's OK.

Kim. (The only OTHER male "KIM" in oz, as far as I'm aware).

Yes I still have it and you're welcome to it.

Shoot me an email and we'll discuss options, as I'm still using it currently but want a new one ASAP. Don't know what use this one will be to you, but I have it, and it's yours if you want it.

Cheers,
Kim.
