I didn't put any prices before on the below gear before.
I do want things bundled as much as possible, (the bigger the bundle, the better the pricing) and more importantly, I am willing to consider ANY offers.
So, see below, and shoot me an offer.
Thanks, Jeff

am looking to unload all my Paris equipment.
I have
3 EDS-1000 cards.
1 Black MEC w
1 Output card
1 ADAT card
1 SMPTE card. (there is a software fix, I believe by Mike Audet, which would give it the rest of the functionality that was never finished.)
1 Blue MEC- never used.
1 Black C16, 1 Blue C 16
