Turn-Key Ensoniq Paris / Mac Computer, Dual Monitor System

Lovingly put together - very little use - excellent condition
Rock-solid midi setup via OMS and Studio Vision Pro

Last Mac that boots fully in OS 9.2.2
Also Boots in OS X 10.2.6
Lots of extras - see info below
Pictures available upon request
Will split actual cost of professional packaging.

This is a pretty incredible value at \$1195
