Is anyone using Paris in Maryland or N.W. Washington, DC? I am making some recommendations to some. All the files were created in Paris V.3. Feel free to email me at [ganttmann@gmail.com](mailto:ganttmann@gmail.com).

Wow. I am feeling very, very alone. Must be time to go shopping for a new DAW.

Paul Artola is in that area, but I haven't been in touch for a while.
