eloved Kurzweil KSP 8. I am including a 64 MB Smart

The arrow keys on the front panel show some wear but all in all it's in very

\$1350.00 shipped (US). Email if interested. PayPal accepted. Credit cards ok with 3% surcharge.

Thanks,

TommyHey Kim, we all love you man! I hope life starts treating you better and what ever is going on, it all clears up. Life can be a road of hard knocks at times, we just have to tuff it out. I'm personally going through some tuff life changing events,
