I really don't remember where I was in the 80's. There was this place in
Austin called Huts that I went to one Sunday night in '82. There was a band
playing named Tex Thomas and the Danglin Wranglers........it's all a blur
after that.

These guys were actually an extremely talented bunch. The drummer, Frosty (a/k/a Barry Smith) used to play with Lee Michaels, Sly Stone, Rare Earth,Steve Miller.......etc.

However, the 80's in Austin were the epitome of yuppie/drug induced/self indulgent degeneracy and Huts was where it seemed to coalesce on Sunday nights. It wasn't unusual for Texas grown Hollywood personalities to fly in to Austin on Sundays to party at Huts. You've never heard *awful* until you've heard Dennis Quaid, drunk on his ass, singing Miles and Miles of Texas in 4/4 power rock mode.

We used to call it "church"

;o)

I had a mullet in the late 80s but that was after my bleached/spiked
blue hair. The blue hair washed out into pink.

I'm all better now.

Burgundy cellophane over black.   Art deco jewelry.   Stay out all
