You could have probably bought a Mac for what you paid for that.

;o)

Now all I have to do is get it out of the mechanic. He is trying to make a 1971 tach work on a 1995 motor...

Every time he sees me, I swear he sees the words "back-burner project" engraved on my forehead.

heated seats and mirrors too...aging gracefully isay...gotta say this ride has the most comfortable seats candy and i have to sit in. we've been on a couple of 7 hour rides and actually hated to get out of the car.

oh yeah...god bless cruise control (cop stopper) in michigan.

did it come with a gurney? traded in my forester...actually i had to pay them to take the old girl. ;o)

nice ride.
