a number of years. Mostly lurking and had various usernames... anyway, my question was mainly about the products from risercardshop.com. I was hoping someone was familiar with their products. Yes, I am only using one EDS card. My last resource is to either pay the ridiculous price for an external PCI box or buy a hand tool metal cutter and cut out a hole for the one card.

Since you are familiar with the case, and you agree that tearing out internal drive bay woul
