812-207-7960, or e-mail. Can't use the system any more, even though it sounds  
so much better than PT. I'm working at a place that HAS to be PT compatible.

Joe Brown Contains the chassis and the cards for the chassis and the PC, as well as  
a one meter cable to connect them. For PCI (not PCIe) cards. \$125 and buyer  
pays shipping.

Last chance to buy before it goes to the

ixed value only. However, I think there are some people  
working on that so keep checking back in.

It was posted to the great white north last thursday.

;)Anyone need a black 8 out card. Its been sitting in its original box a while  
now. call me 203-305-3941

thanks

Try this on the main group, Laurent, more folks will see it. But Mike is  
working on the ASIO, it's a big priority.

unfortunately. tonyderricotte@yahoo.com

Thanks,

Tony D.EDS-1000: \$165

8-in: \$165

MEC: \$60  
C-16: \$75

All in great shape. All black, except for the EDS card which is circuit-board green... :^)

415-613-1405 or email the above without the attempt to make it less spam friendly. I once was a regular member here, lo about 10 years ago. Ask around and you'll find you can trust me :)Vintage! PCI version of the UAD-1. \$150! have an extra EDS 1000 card for sale. Blackface and wroking perf
