store, brought this home to fiddle with, but, never got around to unpacking
it. There is
a big fan base for this and I'd like to see it go to an enthusiast as opposed
to a reseller.
So, if you're a Paris fan I've got one in a box (well, two boxes to be exact).
Discs, cables
etc still in plastic. I will be posting this soon on Craigs List so if interested
write back
right away. terryHi Dennis,
I have emailed you trying to see if this email is the correct one cause it
seems so f

unny !
I did not get any response and no bounce back still...
Let me know if this atari thing is your original email.

Regards,
Dimitrios

I'm pairing down my system a bit. Also selling RME HDSP 9652, Sytek MPX-4Aii preamp, (3) Shure KSM44 and (2) Shure KSM32. Email me at: me at johnshapiro dot com

I haven't posted on here much over the years, but I'm sure Jamie K. would vouch for me as he lives down the street in Denver and we were in a band last year."Jon Jiles" <nojj@yahoo.com> wrote:

Forgot to mention I also have an A8iT left. It functions perfectly in terms of audio but the signal LEDs on ch 1 and 2 aren't working. Yours for \$150 and shipping.

Thanks,
Jon
