Hi
Im looking for mostly blue but black is alo ok paris parts
I can offer for trede

GSSL Clone bus compressor with SIDE CHAIN filter (that one use DBX 202c original vca used in original ssl desk)

WSW siemens PREAMP EQ modules from 1967 ... pure passive eq and Class A preamp all discrete

WSW Universal amp.. UA 811403.... BETTER THAN V676 from telefunken

EMT 257 Limiter!

PM me offers if you have anything from paris you dont need!!!!
