Jimmy, who at age 72, is a Wal-Mart greeter:

A very loud, unattractive, mean-acting woman
walked into Wal-Mart with her two kids, yelling obscenities at them
all

the way through the entrance.

The Wal-Mart Greeter said pleasantly, "Good
morning and welcome to Wal-Mart. Nice children you have there. Are
they twins?" The ugly woman stopped yelling long enough to
say, "Hell no, they ain't. The oldest one's 9 and the other one's 7.
Why the hell would you think they're twins? Are you blind or
just stupid?"

"I'm neither blind nor stupid, Ma'am," replied
the greeter. "I just couldn't believe you got laid twice. Have a
good
day and thank you for shopping at Wal-Mart."

She replies, "I can't afford any on the money you give me!" He reaches into his pocket and says,

"For the sake of St. Patrick, here's \$20. Go and buy yourself some underwear!"

Lastly, the Scotsman's wife bends over. The wind also takes her skirt over her head to reveal that she too is naked under it.

"Hoots mon woman! Why d'ye have nae knickers?"

She too explains, "You nae give me enough housekeeping money to be able to afford any!"

The Scot reaches into his pocket and says, "For the sake of St. Andrew, lass, here's a comb.

Tidy yourself up a wee bit."

An Amish boy and his father were visiting a nearby mall. They were amazed by almost everything they saw, but especially by two shiny silver walls that moved apart and back together again by themselves.

The lad asked, "What is this, father?"

The father, having never seen an elevator, responded, "I have no idea what it is."

While the boy and his father were watching wide-eyed, an old lady in a wheelchair rolled up to the moving walls and pressed a button. The walls opened and the lady rolled between them into a small room. The walls closed and the boy and his father watched as small circles lit up above the walls.

The walls opened up again and a beautiful twenty-four-year-old woman stepped out.

The father looked at his son anxiously and said, "Go get your mother."

Why are there no banjos in Star Trek?

'Cause it's the future....
