Hi All.

I was given the opportunity to mix this song for Sarah McLeod (Adelaide band: The Superjesus). As an animal lover and owner of two ageing dogs myself, I shed many tears during the course of the mix.

The recording was done by Sarah, and friends.

It is a Eulogy for her deceased beloved pet of 15 years.

It was a challenge to clean up all the noisy tracks, but thanks to some old Waves plugins that still play nice with Paris, I think it came up trumps.

It even made Rolling Stone magazine.

Pretty proud of this.

Cheers all. Kim.
