figured music and sports just aren't all that popular.

The Aussie Rules Football mic is also the only one you can drop-kick,  
errr...drop and still mic a kick; run away with...I mean, run it quite a  
ways from the control room; throw passes with...well...throw it on a bass  
cabinet for louder pass-ages. It even comes with fake blood packs that  
explode during particularly hard-hitting matches...songs...well, you know.

Dedric
