I couldn't believe this price so I called them. These are 13 slot units (the ad has some confusing language) they have 4 x of them left as of an hour ago.

Deej you're the man!

I'll be selling my 7-slot very soon.

Thanks!

Hey, checkout the Portland video link at the top of Drudgereport.com to see what the weather's like here today. I think you'll find it quite entertaining.

Best wishes!

Mark
