o you can learn
to tell time by the sound your Strat makes.

--------------0005040002070000406070503--So how do you get Fleetwood Macs rhythm section isolated? Also which
Stevie Wonder song are you talking about? I have the CD Songs in the
Key of Life. I actually just bought it again after 15 years without the
album. Nicaguella is my fav. What vocal chops.
