/>

It will also work with the new Magma PCIe card. Works fine with Intel/AMD mainboards. I'll guarantee it.

It is not compatible with the new Mac Pro models that require the Pericom chipset.

\$360.00 plus shipping.

PM me at animix@animas.net or call 970-769-0488

DeejFor sale: \$250 o.b.o.

All items are very well maintained. The system had never been expanded beyond the basic set-up. Please note: I do not have the 3.0 software. Paypal would be best. Buyer pays for shipping. I have the original boxes and packing.

reply to blindfreddy at earthlink dot net! have the following for sale:
