I got the 24" westinghouse lcd yesterday and I'm looking for a 20 foot hdmi cable that can do 1920x1200 without loss. Any ideas who makes such a cable?

I see some advertised for \$50 but don't know if they can do the high res.

Thanks for any tips.

John

Hi John,

Give these guys a call:

[http://www.cablestogo.com/product\\_list.asp?cat%5Fid=3307](http://www.cablestogo.com/product_list.asp?cat%5Fid=3307)

Good luck!
