Sorry for putting this here, I just thought there was a better chance of it being seen and I want it for a Christmas present for my son so time is important.  
Thanks Jim

Sorry Steve I'm looking for an 8 in card and I thought it might get noticed here quicker than in the for sale group. Jim

Hi Jim,

I've got my rig in the for sale group including 2 x 8 in cards (selling seperately).

Unfortunately I'm in the uk, which means if you want it in time for christmas, UPS or similar is the only way to go (air mail will never reach you at this time of year!) and that's pretty expensive (\$75+? for shipping)

let me know if you're interested though, I can check the figures more thoroughly

thanks

Kerr
