remind me, ive lost track: in what way does that have anything
to do with you brabbling clichees about places you havent even

oh yeah, stereotypes exist. was that your point?
its funny how american tourists
tend to behave in a certain way when they visit this country
(or live here for a while).
one could be inclined to think that they were all the same,
no matter if in germany or at home, in the US.
good thing i was there to find out for myself that
thats not the case. i almost fell for it. i can
only recommend visiting other countries cause its very
interesting and broadens the horizon. alas, i feel with
your set-in-stone picture of europe, europe probably wont
look very attractive to you for now. i suggest japan then.

a nice long sentence. you want the right to make assumptions
about countries youve never been to even for 5 minutes.
heck, screw that, assumptions is too soft a word, you think
thats enough knowledge so that you can come up with
cool catchy terms like "those hypocrite euro socialist jerks".

well then, my diagnosis stays the same. you have changed. mr simplicity indeed.

Mixing memes! Isn't that a mime group?

Making anyone the devil is stupid because the more dangerous
they are, the more you must truly understand them, as opposed
to making them a cardboard cutout of evil.

Don't bogart that joint my friend... pass it over to me.

Do you know how many former hippies I know? How many of them
are STILL trying to figger out how the world actually works?

DON'T LET THIS HAPPEN TO YOU, YOUNG MAN! It's not too late.

Exactly.In a nutshell...
I think if there's room & resources enough for both Israelis &
Palestinians in the region they want to live in, I think they
should quit fighting & come up with a plan. HOWEVER... this is
essentially a 3,000 year-old family feud we're looking at over
there, and my point of view may be a little too simplistic to
deal with the situation. I am not very familiar with the
condition of the agricultural situation there, but I understand
it's not the best in the world - in that case, both sides
should realize that there may not be enough resources in that
immediate area to provide for as many peple as want to live
there... that's a problem, because you can't import everything
food-wise. Israel is our ally, and we should stand by them, but
I also hold the position that some kind of solution could be
arrived at if both sides want peace more than war. OK, now
this is the part where you rebut & tell me what a narrow-minded
American I am, and how wrong my opinion is because you're
Eurosuperior to me and have a much better world view because
you read about cowboys & rodeos in Oklahoma & the drug problems
in Miami in Der Spiegel & had a US soldier live next door to
you & he was a dick, and of course, all Americans are exactly
like he was.

BTW, the Israeli thing is VERY different than the situation we
face with radical Islam... they do NOT want peace more than
war, they only want to kill all the "infidels" and sing praise
& glory to their blood-soaked god Allah, while trying to knock
the rest of the world back into the 12th century, economically,

societally, and politically. So, knowing this, and seeing what
they've done beginning on 9/11 and continuing to this day, I
think a slightly "different" approach is what's called for.

BTW. Im really starting to resent the reefer comments used as personal
attacks. Practically everyone on this newsgroup is a drunk, so I dont want
to hear it.

Regarding 'figger[ing] out how the world actually works', I truly believe
that Bush and associates are profiting heavily off the war, and I think it's
one of the main factors in going to war. While you guys are making jokes,
I'm actually trying to learn, and the more I learn the more outraged I am."justcron"

Ok, I believe you. I am neither a drunk nor a pothead BTW, and
lived through the 60's as a teenager, and used no drugs at all.

That doesn't make me better, it just shows that it can be done.
And, there's a lot more of us than Rolling Stone mag would have you believe. My dad hung with Frank Sinatra before the famous Paramount show that launched his career. I was not raised by prudes or victorians. He told me that dope makes you stupid, and I have never seen any evidence to prove otherwise.

There's a whole underground of people who just love the music, not the drugs, not the bling, not the pussy, just the music.

You should join us.

There are scumbags, just like in the music biz, but they almost always get caught and pay for it, as the line of scumbags from Enron and Worldcom who are stocking up on prison lube shows.

2. Bush is who he appears to be, and he believes what he says, and does things for the reasons he says he does them. You don't have to agree with him, but he is too stubborn and convinced of his beliefs to start wars from greed. He believes in freedo
