I have a PARIS PRO systems with 2 EDS 1000 cards, PARIS PRO C16 control board, and an ultrapatch pro multifunctional 48-pt. patch bay Model PX 2000 that I'd like to sell.

In addition, I have one Pro Tube mic preap compression & equalizer Tube Channel

I also have a 933Mhz PowerMac with a 17" Envision Monitor for sale.

Will send photos on request.

I'll accept any reasonable offers.
