nd FX processors at your  
disposal.

I need a Paris 8 out card and will either trade this rig for it or I'm  
asking \$350.00 for it if anyone is interested.

970-375-7081Dear DJ,

I am Dimitrios.

regarding your offer trade I can trade byou with an output card.

You can either select one with two channells modified with better opa's !

or a stock output.

I don't need any pc cases as it raises shipping costs.

If there is any extra cost involved in shipping let me know too.

Can you have a deal here ?
