er, if I had nothing but cash falling out
of my jeans, I would most likely go for 2 - RED 1 instead.
The again, 8 Liquid channels would be nice too... ;-)

David.

Hi =
Tom,=20

Yup - I'm placing them in the library. They show in other =
projects=20
  once saved,
until I reboot... then they disappear. I may try =
reinstalling=20
  the FX subsystem.
In the meantime, suggestions =
welcome!

Thanks,=20

Dan
