Did you get enough response to do the test thing? Do you need my card(s)?

Thanks...

Hi John;

Not enough whips to flog the dead horse it seems...)

Well I kinda gt enough offer for hardware but now I'm already starting to not have time to do anything fun like that. Yes I like DJ think doing that sort of thing is fun.

Between the things we got going on with Yamaha Commercial Audio and DigiCo and now also going to be Apple dealers. So much for a home life.
