rumored Evolimit, Sexual Chocolate.....etc? If so, I'm going to send you
some money just because you're too far away for a big wet one.

Hi all,

All the plugs I have released are available for free download at www.greatidea.com/downloads/

PC users can download the PC value pack and EVENTITER to get them all

MAC users can download the MAC value pac and nolimit to get them all.

More to follow

Have fun. Help each other out if anyone gets stuck.

Very, very cool. Looks like I picked a good time to set up a home version of PARIS, after much success with it at our studio.

Thanks, Chuck!

Curt,

Didnt' realize you all were still running Paris. Is Scott still with
you at Northstar? I'm an amateur Paris user due north of you a couple

miles (right by I84).

That's the source code, allowing the plugs to be further developed should a

coder wish to. Pretty big thing IMO.
Thanks CD, for years with us and the future you have opened up to
developers.

Thanks for your generousity Chuck, this is really selfless of you. It's made
me put off selling Paris and try the plugs for some new inspiration, but I
feel a bit guilty that I never bought them in the first place.
