I know this won't make me popular, but that's the kind of loser humor that just seems dumb if you don't get high. You could substitute "stupid as fuck" and the song would mean about the same thing. Probably the same people would think it was funny, too.

Not to be all holier than thou, but I haven't gotten high since the winter of '75, and I am a much better and happier person for having quit that shit. Being on top of my game and my life is the way I like to live.

I'm guessing you don't own the dvd "dumb and dummer" either. Totally stupid humor always cracks me up.
