I have an extra EDS 1000 card for sale. Blackface and wroking perfectly.
It's not in use, just a spare. But I need money so I am cleaning house so to
speak. I'd like to get \$200 for it. Email me at spappy122(at)yahoo.com

I was unlucky and got one of those damn paris pro eds 1000x cards in one

of my bundles..

It never worked properly after they dipped it in blue paint ;-)

Cheers,

TC

I will try to as soon as I can. It is a perfectly good card. I had hoped to go to a 2 card system but I have a newer computer and there is not enough PCI bus.... But it does work great on XP still and serves to be a useful system for tracking. But It really doesn't work well for mixing.
