Brother -

I got your email, but my reply was kicked back for some reason. Happy Birthday, Sakis! Hope you have a wonderful year, and I look forward to catching up with you (and any others from clan Paris) at the AES show in New York.

For those who don't know, Sakis and I were born on the same day! Clearly, mom liked him better!

Fraternally yours,
Paul

Happy birthday, Don (and any other mid-Sagittarian Parisians out
