I don't know you well enough to know your sense of humor. Studio Projects  
C1 in case you were serious. Thanks Jim

Ohhh.....sorry man. I was being totally serious, which shows you what a space case I am right now. I don't have either of the C1's anymore. I sold them both back in June.

Sorry for the seemingly strange response. I am in a seemingly strange place right now.....even moreso than usual.

Deej
