Cool video, arrangement, and performance.

But did you check out their other vids? The Divinyl's "I Touch Myself"??? Something kinky about a teen girls choir singing THAT song. I would have loved to be the fly on the wall the first time the conductor passed out the music to that in practice:

Choirmaster: OK, girls. The next song we're gonna work on is a minor 80's classic of feminine empowerment called "I Touch Myself". Here is the music. (passes out the music to the girls)

Girls: Giggle, giggle, giggle,

Yes, indeedy!

Hey Paul,
Yah, I saw that, bummed me out. The U2 tune put me in such a good place, I just told my brain just to go on about its business and pretend it was Madonna that had done the remake. Whoever came up with that "great idea" oughta be slapped. Adults are such jerks sometimes.
Hope you're well man.
