, as we take a complete inventory.

>

>Thanks,

>Curt,

>Northstar Recording, Portland, OregonHey Guys,

I am looking to buy an additional EDS card in good condition at a good Price. Any Offers?

Email me.

CoalhouseThanks, and you're right, the rack won't work by itself. And, how's the crook gonna sell

it?

The guitars were a bummer, though.

Curt

1 Black MEC - missing 2 front and back blank panels, but you will want to put at least 2 modules in the thing anyway, won't you?

1 442 interface.

1 IF2

1 C16 - This works perfectly BUT the large round knob comes off. That is, if you actively TAKE it off by pulling it

up. It works just fine, is just not attached to the spindle. If you really wanted to you could glue it, but unless this is getting moved around a ton it just doesn't matter.....I have the following paris gear for sale all in working order with low hours on the gear.

2 X EDS-1000 Cards \$150 Each +shipping costs

1 X C-16 \$25 +shipping costs

2 X Scsi Mec to EDS cables 6ft and 10ft \$50 +shipping costs

thanks

ToddEDS-1000

MEC

8-in

C-16

All in great shape. How much more black could they be? None. None more black. Forgot this important little detail: Make an offer on one or more bits of

that list. I'm reeeeeeeeeeeeeeeally flexible.This is a multi-part message in MIME format.

Many thanks go out to Mike Claytor for coming through with an ADAT module.

Now to send it to Chris Ludwig for experimentation with a quad core for Paris and Cubase in one box . . . !!!

Tom

Looking for an ADAT module for sale.

Reply if you do.

Thanks,

Tom
