Hi,

I wonder if you do trades ??

I am looking for input cards...

1) I have a wireless Shure SM58 microphone with shure T3 receiver USA power adapter
(202.200mhz)!

2) PCMCIA VTBook VGA/DVI extra monitor outputs for your laptop.

3) Many analog film photo cameras like Cannon EOS5 , EOS500, Nikon EF601, EF801S, ALL
with lenses !!

If there is any interest just let me know.

Thanks.

Dimitrios

Hi Kip,

Are you located in Louisiana?

I just happened to be headed there this week and am looking for a PARIS system.

Let me know.

Thanks

Michael

Yeah i am interested to expand my existing Paris system.

1 EDS1000

1 Control 16

Inputs

Do i need anything else?

Please give me a price if possible....

Regards

PS....if i get a second EDS1000 i can connect it to my existing MEC?
