Yeah, I love girls who can play! We need many more female musicians - not just singers and dancers.

Right, Sarah, this girl can play. I saw her perform at a Jaco Tribute in NYC about 2 years back, phenomenal. Another young cat you would really dig is a French bassist by the name of Hadrien Feraud. He's played with both Chick Corea, John McLaughlin over the past couple of years. This guy has chops that are simply amazing.

says in her bio she planned to be a guitar player until she picked up a bass 4 years ago. Looks like she's older than 6....

Yup, she's REALLY good.

One funny thing about Thailand, there are a ton of all girl pop and cover bands. I saw half a dozen seriously talented players in those bands, including a spectacular drummer who looked about 22 and just happened to be a stone cold knockout. Not only was she good she was tasteful, had her Charlie Watts licks down pat. Really cool to see.

I think you mean "very" sexy. Vary sexy is more like Prince himself, being all androgenous and stuff, his sexiness varies . . . oh, never mind. Bad joke. :)
