Where were the cheerleaders? In my day there was lots of camera time spent on the cheerleaders.

The Stones appeared to actually be live which was cool but that had to be the worst guitar solo in Satisfaction that I have ever heard. hahahaah

Are their live solos really that bad normally? The DVDs I have of them (Voodoo Lounge and Bridges to Babylon) have nice solos. Are those just anomollies?

Yeah, but only three songs? They coulda done a medley, or shortened the vamping, etc etc, and done more songs in their allotted time. Woulda given more Sprint cellphones more tunes to download.

Didn't see the game myself, but my guess is that they may have been concerned about possible "wardrobe malfunctions".
