Doesn't Voxengo make a free sample rate convertor?

What would be considered high end sample rate conversion.... hardware? or software?

hmmmm.

JeremyThanks for the comments. I've just added the SPL Gold Mic Pre to the short list. I'm tempted to get the Octopre LE; or the Octopre LE with the SPL as well (not so good for the budget); kust the SPL or possibly the Sytek (alone). The second option would give me 10 pres, with the option of tubes on two of them.

I guess the only worry
