I just found this interview that I did 7 years ago. It's pretty funny - I don't remember saying ANY of this stuff! Some of it's actually pretty good. I should take my own advice from time to time!

Now, if I just had some good advice for how to keep the business going!

become a doctor...i'm sure you can get the diploma on-line.  
hint...the pay for ones are better than the free ones...higher quality  
paper...plus most words are spelled correctly.

Yup. My mom wanted me to be a doctor. Or a lawyer. Or an engineer (NOT recording!). I just wouldn't stop playing that doggone guitar long enough to get thru school.

Gantt
