I'm going to be in the LA area (well, sort of-Ontario/Loma Linda actually) tomorrow. I've got business there Monday morning but Monday afternoon and Tuesday I'm going to probably be cruising some of my old haunts in the Valley and Hollywood/West LA, plus snarking around for goodies for the studio. Haven't been in LA since the early 70's.

If anyone wants to \*do lunch\*, or whatever, my cell phone is 970-769-0488.

Deej

If you are going to be there anyway, swing by Coast Recording Equipment... it's "the" audio boneyard!

Prices are silly steep but it's fun to walk around and check out the stuff.

Hey Deej,

I have a studio in Hollywood and am available on Tuesday (Monday could work, but I'd have to move some things). I'd love to do lunch with Dave too if it works.

Hey Deej,

My studio is in Hollywood and I'm available on Tuesday. I'd love to meet for lunch with Dave too if it works. Monday is also a possibility, but I'd have to move some things.

Hey Richard,

Lunch would be great!... if you feel like springing for a plane ticket from Canada to LA! ;-) We stop by Coast once a year when we are down for NAMM. I hope you and DJ get a chance to hook up, it's always fun meeting group members in the flesh!
