Is anyone using Paris in Maryland or N.W. Washington, DC? I am making some recommendations to some. All the files were created in Paris V.3. Feel free to email me at ganttmann@gmail.com.

Wow. I am feeling very, very alone. Must be time to go shopping for a new DAW.

Paul Artola is in that area, but I haven't been in touch for a while.

Hey Gantt -

Nice to see you again! Congrats on your Grammy nomination.

Regards

Ted
