Hi All,

I've been hard at work (as usual) cooking up more PARIS goodies for 'yall, and I think I've got a good one this time.

The PARIS DeEsser sounds awesome, and it's easy to use, too.

Thanks so much to everyone who has donated to this. It has been a big help.

I'm currently taking a day a week off work in order to do this (every Monday) - which is my choice. I love this shit, and I've wanted to do this forever.

But, it's expensive. It's costing me about \$200 a week to make these things - which is my choice. But, if you do enjoy these plugins and find them useful, please help me pay for this! I'm seeing dozens and dozens of downloads and far, far fewer donations.

As always, you can download the plugs at my website: www.ensoniq.ca.

Enjoy!

Mike
