OK Chuck - I can now get this feed working in RSS Owl by pasting this URL
manually (sorry, it could be more elegant, but at least you should only have
to do it once); let me know if it works for you on sharpreader. Watch out
for the linewrap, of course.

 http://www.kerrygalloway.com/WikiPARIS/wikka.php?wakka=Recen tChanges/recentc
hanges.xml

PS: I copied this thread into the Project group.
