Greetings,

[i]I have one MEC (Black) for sale! After many years, I had to let go of my PARIS gear and this is the last remaining item./i]

I would almost guarantee at this point you will not find a piece of PARIS hardware in as little used, as clean, more excellent, like-new condition, with fewer hours on it than what I have to offer!! The MEC has been boxed, climate controlled, on a shelf in my non-smoking home for most of it's life. Only 7 projects were ever completed on the bundle I owned. After many years, and for various reasons, it never really got used. I hope someone here can reap the benefits.

The pictures below show I/O cards in the MEC, however they are NOT included as they were previously sold, so all blank panels have been re-installed. Other than one minor scratch on the bottom of the MEC as seen in the picture below, the unit is flawless. It is in the original "bundle" box it came in, though not the original packing material.

REMAINING ITEM FOR SALE:

1 MEC (Black) \$75

If interested, please PM here or contact me at: senseartstudio@gmail.com

I WILL SHIP UPS GROUND, INSURED, TO US, LOWER 48 ONLY at buyer's expense (I will provide a shipping quote, please provide city and zip in your message/email). The MEC is already securely packed in it's original box, well protected, and ready to ship!

I will take payment through PayPal only, please.

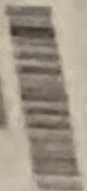

Thanks, have a great day!!

Gary
