I'm not sure what you did last night or what your plans are for tonight but I thought you'd like to know that B.B. King played live and is playing tonight.
Damn 80 year olds !

I shot a concert video for an act who was warming up for BB in Colo Springs last year, and saw BB backstage. He seemed like a very nice guy, big smile for everyone. Then he went out and tore it up!

Cheers,

Yeah, B.B. is amazing.

So is Buddy Guy. Saw him last year - dude just tore it up. I want to have that much energy when I'm 80.

I knew about the sushi on the naked woman thing - had seen that somewhere before and thought it really creepy that the women had to

chill themselves first.

Well, come to think of it, that would give you a place to put the onion rings....

Wait. That was just wrong. Sorry.

However, the "gut the fake body like a deer" thing is really just plain wrong.

Well...if the body is made of tofu, then at least it would be politically correct.
