I've gone to the "other side." PARIS is just collecting dust now. :(
We had some great times together but my "tools" were not allowing me to
market myself well enough - not industry standard. (humph!)

I would like someone else to enjoy this stuff. A lot I really don't need
any
more due to some nice TDMs.

Here's what I have up for sale (anything left will go on eBay in about a
week):

(2) Black Face MECs \$250
 (Original boxes)
 (1 missing two face plates & a funky-ish original box)
(1) EDS 1000 (Original box?) \$250
(1) C-16 (Original box?) \$125
(6) 8 Ins (Original boxes) \$325
(2) 8 outs (Original boxes) \$
