Hi Will,

I sent you an email - I'm interested in the 442 if it's still available.

Hi Will, Hey man , sent you an email about the 442,I see that Stephen did too. If your world is like mine, your very busy, and have not had time to respond. I'm still interested in the 442. If you like Stephen better than you like me (just kidding) and have already sold it, I would be imterested in the MEC instead. Please let me know, cause these guys out here in Utah like to fill up 24 or 25 tracks with stuff, and then would love just "one more overdub". I could really use another set of inputs for card #2, thank you sir, John Houston
