Sorry to post this here, but many folks don't seem to know where the for sale section is. Last chance before these guys go to eBay. Thanks

Blue MEC \$75 it has a couple of black cover plates

Black ADAT \$175

EDS card \$175

EDS card \$175

C-16 \$50 a bit scratched up but works fine

At these prices, you can afford to buy them as spares! Buyer pays shipping, but I will pack them well.
